Term Work:

At least ten experiments covering entire syllabus of ETC 802: Satellite Communication and Network be set to have predefined inference and conclusion. Simulation based experiments are also encouraged. An attempt should be made to make experiments more meaningful, interesting and innovative. Term work assessment must be based on the overall performance of the student with every experiment graded. The average of grades converted in to marks should be taken into account for term work assessment.

Oral examination will be based on entire syllabus.
